

Friends, members, and guests are all invited to learn more about The Presbyterian Church in Orland Park. These are informal conversations that include time to reflect on your faith journey, learn about the beliefs and mission of our church and to even explore troublesome theological terms and questions. This church encourages questions, expects challenges, and authentically tries to follow the way of Jesus. All are invited to join the church – but it is not a requirement to become a member. If you are interested in “Discovery”, please contact [Pastor Joy](#).
